Donna,

As we discussed my employment with the County will be ending March 1st and your new County project manager is Mark Slovick for the Tule Wind, ESJ, and the Soitec Projects. His contact information is [\(858\) 495-5172](tel:858-495-5172) Mark.Slovick@sdcounty.ca.gov. Mark is a great Planner and I think you will enjoy him. I look forward to seeing soon.

Sincerely,

Hello Patrick,

Are there any new project Soitec project updates : Rugged Solar, LanWest, LanEast, Tierra Del Sol?

I thought some were due at the end of Janaury?

Any thing in on any of the Boulevard / Crestwood Sol Orchard / Sol Focus projects?

Also, have hearing dates been determined for Tule Wind MUP/GPA or the Wind Energy Ordinance DEIR?

thanks!

Donna

Donna,

There has been no movement on any of the projects. They said they will submit LanWest (The one across the street from Boulevard Sub) on Wednesday this week. As far as the other SolOrchard and SolFocus, no movement or do I know any specifics of those proposed projects.
